

Fall 2017 *Credentialing 101* Sessions

What

Credentialing 101 is a one-hour webinar that reviews the roles involved in testing and the actual steps taken to start awarding NIMS credentials at your location.

The session is held via GoToMeeting online conferencing software which requires that attendees connect by phone and website. See numbers and websites below.

Who

The session is appropriate for anyone who wants to understand the roles and procedures for testing. All sessions will be led by NIMS Credentialing Manager Shelby Hill.
