

How to Register your Organization

1. Go to www.nims-skills.org
 - You may also go directly to <https://testing.nims-skills.org/portal/public/register/org> and skip #2-3.
2. Look to the top right corner and select **login/register**.
3. On the right side of the page under the “Need an Account” header look to the last sentence and click **register your organization** link.

Need an Account?

By creating a free account, you will be able to access our online tools. Learn more about the tools below and register today!

If your organization has never hosted testing before, then you should **register your organization** with NIMS to get the process started.

Create An Account

4. Complete the registration form then click submit.
5. Once your registration has been approved, a confirmation email will be sent to the email provided in the registration.
