

# APPRENTICESHIP

## Learn How You Can Win an Award from the New USDOL \$150M Grant Opportunity!!!!

Join top experts on Industry-Recognized Apprenticeships for an exclusive Webinar on key strategies to address the main requirements of the U.S. Department of Labor's *Scaling Apprenticeships Through Sector-Based Strategies* grant opportunity.

### When (2 sessions):

Monday, Aug. 13: 2-3 p.m. EDT

Tuesday, Aug. 14: 9-10 a.m. EDT

### What You Will Learn:

- ✓ Key strategies to produce 800-5,000+ apprentices required for a successful grant submission and award
- ✓ Key features of what differentiates Industry-Recognized Apprenticeships from traditional Registered Apprenticeships, including specific ways to modernize and expand apprenticeship to target ALL H1-B industries and occupations
- ✓ Key components of taking a USDOL-recognized Competency and Occupation-focused model to scale and how you can get help with required outreach and technical assistance to employers
- ✓ Key ways of how community colleges can work with industry partners to develop a successful sector-based approach to workforce development and training

### Webinar Hosts:

Montez King, Executive Director of NIMS, is a member of the President's Taskforce on Apprenticeship and a leading expert on precision manufacturing standards and certifications.

Mason Bishop, Principal, is a former executive at USDOL and was actively engaged in development of the Apprenticeship EO.
