Agreement

All stakeholders are recognized as performers working to validate true job performance. In accordance with referenced standards, (a) Organizations agree to design or select Performance Measures that validate performance requirements of their community and provide resources required for training and learning, (b) Trainers agree to transfer all required knowledge to prepare trainees for successful performance, (c) Trainees agree to utilize all provided resources to learn to the best of their ability.

Validation Groups

Validation of performance for the duties listed in each Validation Group must take place within a single experience, defined and documented as a Performance Measure (PM). Multiple validation groups may be combined into a single comprehensive PM.
